Panel 1: Looking up at SHADOW, atop the refrigerator, peeking over the edge with a serious expression on his face. NOTE: Title and credits can go in the gutter and/or overlap onto the panel if there's not enough space.

TITLE: PRINCESS & SHADOW: "DARK LOAF"

CREDITS: Art: Alex Rhys, Letters: Taylor Esposito, Story: Wes Gift

1 CAPTION: I watch over this place, keeping it safe.

Panel 2: Looking over Shadow's shoulder, his female owner is opening a can of cat food on the counter below him.

2 CAPTION: From up here, nothing can get by me.

Panel 3: Closer on Shadow, we can clearly see the intensity on his face and in his eyes.

3 CAPTION: If I see danger, I strike.

Panel 4: Still on top of the fridge. Facing Shadow, we see PRINCESS sitting to his left, she pokes him with her paw. Shadow is laying with his paws curled up under his body in comfort.

4 PRINCESS: Are you up here loafing again?

5 SHADOW: I'm brooding. Like a guardian in the dark.

Panel 5: Same POV as Panel #4. Princess is giggling while Shadow, still loafing, is visibly annoyed with her remarks.

6 PRINCESS: No, you're loafing.

7 SHADOW: I am a dark guardian.

8 PRINCESS: More like a dark loaf.
