Written by Wes Gift

5 Panels

PANEL 1: A blinding white light emanates from the center of the panel, filling it.

1 JONAH HEX: Am ah really goin' back?!

2 CAPTION: *Continued from Hex #18

PANEL 2: Facing JONAH HEX, inside a saloon sitting at the bar, a look of shock on his face, and a shot of whiskey in front of him. We can see other COWBOYS behind him drinking and playing cards.

3 JONAH HEX: Holy Hannah!

4 JONAH HEX: Ah am back!

5 BARKEEP (OFF): Back?

PANEL 3: Medium shot of a mustachioed BARKEEP, wiping down a glass mug.

6 BARKEEP: What are you yammerin' about Jonah? Yuh been here the whole time!

PANEL 4: Facing Jonah again, who appears to be a bit more calm, but still slightly confused.

7 JONAH HEX: But ah was stranded in the future, and somehow made it back here, to 1875.

8 RIP HUNTER (OFF): You can thank me for that—

PANEL 5: Looking over Jonah's shoulder at RIP HUNTER, seated at the bar next to Jonah, dressed in cowboy garb. He extends his right hand.

9 RIP HUNTER: The name's Rip Hunter—

10 RIP HUNTER: And I need you for a job.
