5 Panels

PANEL 1: MISTER WHO is in his lab surrounded by test tubes of colorful liquid and chemistry equipment. He is holding a vial full of a blue liquid up to the light above him, celebrating his most recent success.

1 MISTER WHO: I've done it!

PANEL 2: Mister Who has lowered his arm, now holding the vial tightly in both hands.

2 MISTER WHO: With my new Z Solution formula, I will wreak havoc on Gotham, or my name isn't 'Mister Who!'

3 HECKLER (OFF): Say what?

PANEL 3: Full body shot of THE HECKLER, in costume, leaning against a shelf of chemistry equipment in the lab. Mister Who stares him down, surprised by The Heckler's sudden appearance.

4 HECKLER: Who are you?

5 MISTER WHO: I'm Mister Who, that's who!

6 HECKLER: Are you a mad scientist or an owl?

PANEL 4: Medium shot of Mister Who, now angry and still clutching the vial of Z Solution.

7 MISTER WHO: I am a brilliant scientist, and you will know my wrath!

8 HECKLER (OFF): The wrath of an angry bird, maybe.

PANEL 5: Wider shot of both Mister Who and The Heckler. Mister Who, now enraged, shakes his fist while yelling. The Heckler runs around in circles flapping his arms like a bird.

9 MISTER WHO: I am Mister Who, and this world will fear my name again!

10 HECKLER: Watch me fly! I'm Mister Hooooo!

11 HECKLER: Hooo! Hooo!
